

BEDFORD NORTH LAWRENCE SCHOLARSHIP FOUNDATION

SENIORS: IMPORTANT! SAVE FOR REFERENCE AND CHECKLIST

There are over 300 scholarships available through the Bedford North Lawrence Scholarship Foundation. Be aware that some scholarships have specific requirements for students. The Scholarship Committee seriously considers the criteria for each scholarship in selecting the recipients.

I. SCHOLARSHIP SELECTION PROCESS: (Students should keep a copy of their applications.)

APPLICATIONS:

- Applications **MUST** be turned in to the BNL Counseling Office by 3:00 pm, Friday, January 19th. **Late applications will not be accepted.** Be sure your application is complete before you turn it in. Once it is turned in, it will not be returned. Notify the Foundation Office of any information that changes. **If you have special circumstances and are unable to submit your application to the BNL Counseling Office, please call the Foundation Office for additional options.**
- **Include an appropriate wallet size head-shot picture.** We no longer have access to the school's picture database. You must provide the picture. It does not have to be a senior picture or one made by a professional photographer. A snapshot is sufficient. Attach the photo to the original so it will be on all the copies.
- Career Center applicants who do not attend BNL High School should have their high school attach a copy of their grade transcripts, through seven semesters, to their application before the application is turned in.
- If you are receiving an athletic scholarship from your college, check to see if under the NCAA guidelines you may legally receive a scholarship from our Foundation.
- Make sure all requested information and material is included and the application is properly signed. **No incomplete application will be considered for a scholarship.**

INTERVIEWS:

- A list of students selected to be interviewed will be posted outside of Ms. Whitaker's classroom, #1350 and in the BNL Counseling Office. Not all students who apply may receive an interview.
- Selected students will be interviewed by the Scholarship Selection Committee Tuesday March 5th – Thursday March 7th. Appropriate clothing is expected. An interview is part of the process but does not guarantee a student will receive a scholarship.
- Students **must** have been accepted by an accredited vocational or technical school, or college by the date of interviews with the Scholarship Selection Committee. If your first choice has not responded by the application deadline, make sure you have been accepted by another school before the interview date. **Any student who has not been accepted by a college by the time of the interview will not receive a scholarship.**

STUDENT MEETING:

- A list of students selected to receive scholarships will be posted outside of Ms. Whitaker's classroom, #1350 and in the BNL Counseling Office. Not all students who were interviewed may receive a scholarship.
- Students who have been selected to receive scholarships **must pick up a notification letter from Ms. Whitaker** in Room# 1350. This letter contains information about the required student meeting.
- Selected students **must** attend one of the pre-presentation meetings (dates and times will be announced at a later date) where the procedure for the program will be explained.
- If you are receiving a 21st Century or other scholarships that will pay a large portion of your college expenses, the amount you receive from our Foundation may be limited.
